LIMITED LIFETIME WARRANTY — HDPE CABINETS

Warranty Grant

ArmorKore warrants to the original purchaser that HDPE cabinet components (solid HDPE panels, frames, and molded parts) are free from structural defects in materials and workmanship for the lifetime of the product under normal use.

Warranty Periods for Other Components

- Manufacturing Labor: **ArmorKore** warrants its workmanship (assembly and installation labor performed by the manufacturer) for five (5) years from the original invoice/installation date.
- Hardware (pulls, hinges, drawer slides): These components are warranted against defects in material and workmanship for two (2) years from the original invoice/installation date.

Remedies

If a warranted defect arises within the applicable warranty period and is reported in accordance with this document, **ArmorKore** will, at its option:

- Repair the defective part; or
- Replace the defective part with the same or comparable part; or
- Refund a reasonable portion of the purchase price (pro rata based on useful life), if repair or replacement is not practical.

Exclusions and Limitations

This warranty does **NOT** cover:

- Damage caused by misuse, abuse, neglect, accident, alteration, improper installation or maintenance, exposure to inappropriate chemicals, fire, flood, or other acts of nature.
- Cosmetic damage that does not affect structural integrity or function (minor surface scratches, color variations, natural texture or grain differences).
- Normal wear and tear (including expected degradation of finishes or hardware over time).
- Damage due to installation not performed by **ArmorKore** or a certified installer, or installation that does not follow published instructions.
- Labor, transportation, or other costs related to removal, reinstallation, or shipment of products unless expressly agreed in writing.

Transferability

This warranty is limited to the original purchaser and is not transferable, except where required by applicable law.

Claim Process

To make a claim, the purchaser must:

- Notify **ArmorKore** in writing within the applicable warranty period, including description of the defect, photographs showing the issue, proof of purchase (invoice or order number), and installation date.
- Allow **ArmorKore** or its authorized representative reasonable access to inspect the product. Do not dispose of or alter the product without **ArmorKore**'s authorization. Failure to follow claim procedures may void the warranty.

Limitation of Remedies and Liability

This warranty states the purchaser's exclusive remedy. Except where prohibited by law, **ArmorKore**'s liability is limited to repair, replacement, or refund as set forth above. In no event will **ArmorKore** be liable for incidental, consequential, special, or punitive damages, lost profits, or loss of use.

Implied Warranties

To the extent permitted by law, all implied warranties (including merchantability and fitness for a particular purpose) are limited in duration to the express warranty periods above. Some jurisdictions do not allow limitations on implied warranties; where prohibited, such limitations do not apply.

Governing Law

This warranty is governed by the laws of Arizona. Any disputes arising under this warranty shall be resolved in the courts of Arizona unless otherwise required by law.

Effective Date

This warranty applies to products purchased and installed on or after the purchase/install date.
